<input type="checkbox"/>	Static IP Address (Optional)	\$6 /per month
--------------------------	------------------------------	----------------

If the Static IP Address option is not chosen then Dynamic IP Addresses will be issued.

Requirements

Our service requires an standard phone line (for activation only) and ADSL modem in order to function.

Availability

Coverage is limited to ADSL enabled exchanges.

Anytime Quota

No peak/off-peak quota, our plans have anytime quota which may be used any time of the day or night.

Excess Usage

Your monthly data is a combination of both downloads and uploads. Once your monthly usage has been exceeded, your internet speed will be limited to 256kbps downstream / 64kbps upstream.

Data packages are available to top up your monthly quota at an additional cost.

No automatic charges apply if you exceed your monthly usage.

Unused data will be forfeited each month.
